Steeple Claydon  
Buckingham MK18 2PY

28 September 2023

Dear Councillor

## Share your views on Rosefield Solar Farm

We are now consulting on our early plans for Rosefield Solar Farm, a new solar farm with battery storage capable of providing enough clean, secure energy to meet the needs of around 57,000 homes<sup>1</sup> and save more than 125,000 tonnes of carbon dioxide<sup>2</sup> emissions every year.

You can find out more information about Rosefield, and view our initial design, in the consultation booklet enclosed with this letter. We have also launched a Rosefield website, [www.rosefieldsolarfarm.co.uk](http://www.rosefieldsolarfarm.co.uk) where you can view and download our consultation materials, and explore our virtual exhibition.

## The consultation

We are consulting on our early plans for Rosefield Solar Farm until 10 November 2023. We are seeking feedback at this stage to make sure we can consider it while we're still developing our plans and carrying out our assessments.

As Chair, we would like to invite you to a preview of the public exhibition events we are holding in the local area during the consultation. This would be an opportunity for you to meet the wider team and discuss the plans in more detail:

- Calvert Green Village Hall and Brickworx Bar on Wednesday, 4 October 2023 between 1 pm-2 pm

---

<sup>1</sup> Based upon the average domestic electricity consumption per home (temperature corrected) per the Energy Consumption in the UK (published September 2021, Table C9 of ECUK: Consumption data tables)

<sup>2</sup> Based upon BEIS's "all fossil fuels" emissions statistic of 450 tonnes of carbon dioxide per GWh of electricity supplied in the Digest of UK Energy Statistics (published 2021)

If you are unable to make the preview session, you are also welcome to attend any of the public exhibitions we are holding at:

- Calvert Green Village Hall and Brickworx Bar on Wednesday, 4 October 2023 between 2:30 pm-6:30 pm
- Quanton Memorial Hall on Friday, 6 October 2023 between 2 pm-6 pm
- East and Botolph Claydon Village Hall on Saturday, 7 October 2023 between 10 am-2 pm
- Steeple Claydon Village Hall on Monday, 9 October 2023 between 10 am-2 pm
- Calvert Green Village Hall and Brickworx Bar on Wednesday, 1 November 2023 between 5 pm-8 pm

Thank you for facilitating a meeting with some of the Steeple Claydon parish councillors. If you or any of your colleagues have any further questions or would like to discuss our proposals, please call us on 0800 8611097 or email [info@rosefieldsolarfarm.co.uk](mailto:info@rosefieldsolarfarm.co.uk)

### Share your views

Alternatively, you can share your thoughts on our proposals by:

- Completing a consultation questionnaire online at: [www.rosefieldsolarfarm.co.uk](http://www.rosefieldsolarfarm.co.uk)
- Emailing a questionnaire to [info@rosefieldsolarfarm.co.uk](mailto:info@rosefieldsolarfarm.co.uk)
- Posting a questionnaire (no stamp required) to:  
Rosefield Solar Farm  
FREEPOST SEC Newgate UK LOCAL
- Submitting your response in writing by email to [info@rosefieldsolarfarm.co.uk](mailto:info@rosefieldsolarfarm.co.uk) or in writing to the above Freepost address.

We look forward to hearing from you.

Yours sincerely,

Naomi Heikalo  
Project Manager

EDF Renewables UK
